## Guarantee

### Guarantee, replacement and product continuity general conditions.

In addition to the guarantees stipulated under national law, Sitab System.S.L. guarantees all its commercial products for a period of five (5) years from the date of invoice (with the exceptions and exclusions listed below).

Sitab System.S.L. will replace the damaged material with an equivalent product, at the same sale conditions.

Sitab System.S.L. is committed to offer a **product continuity** for the same period of time.

Sitab System.S.L. will be liable only for the obligations defined here, with the maximum liability equivalent to the amount billed to the client for the defective product, excluding any kind of compensation for indirect immaterial damages or other loss.

### Exceptions

Mechanic commercial elements: will have the same guarantee as the one the manufacturer offers.

### Exclusions

This guarantee does not cover anomalies resulting from:

- Normal wear and tear.
- Deterioration of the finish of products due to insufficient or inappropriate maintenance products, or stains and scratches from improper use or unusual circumstances (reforms or repairs) in which the appropriate protective precautions were not taken.
- Total or partial damage to products due to negligence, abuse or systematic and improper use of the products for purposes other than those for which they were designed.
- Removal or modifications on products manufactured for Sitab System S.L. by other companies (such as melamine finishing, or commercial accessories that are removed from the market)

### This guarantee does not apply to the following products and materials:

- Variations in finishing materials, such as fading, wood patina, combinations of wood grain, texture and color variation in different base materials, or in different batches of lacquered profiles and glass.
